- German – A1 (learning in progress)

Profile Summary

Supply Chain professional with experience from field operations to strategic coordination. Skilled in logistics, transport, and international collaboration, I bring analytical rigor and adaptability to optimize flows, secure inventories, and drive continuous improvement.

Professional Experience

Supply Chain Coordinator – GROHE (LIXIL Group) | France | Sep 2025 – Present

- Managed the VMI process: product portfolio updates (launches, phase-outs, switches), replenishment follow-up, and availability reporting.
- Monitored logistics KPIs (stock-outs, customer coverage, OTIF) to anticipate risks and improve performance.
- Contributed to continuous improvement initiatives to streamline logistics workflows.
- Collaborated in English with the German HQ
- Project management and implementing tools (Apps Script, AppSheet, BigQuery, Python, Syniti)

Production Performance Pilot – SNCF Supply Chain | Paris | Jan 2025 – Sep 2025

- Analyzed and tracked logistics performance KPIs (ERP, WMS, Power BI).
- Designed and deployed an internal ticketing tool for issue tracking and process monitoring.
- Conducted stock and flow analysis to optimize inventory levels and operational efficiency.

Logistics Supervisor – Lapeyre Logistique | Rungis | Sep 2024 – Dec 2024

- Supervised daily receptions, orders, and stock operations.
- Produced logistics reports and KPI tracking for management.
- Managed and coached a field operations team.

Transport Operations Planner – T.E.A. | Fleury-Mérogis | Apr 2023 – Jun 2024

- Planned and optimized transport routes and delivery schedules.
- Coordinated daily logistics activities and managed exceptions.
- Maintained client relationships and handled operational contingencies.

Logistics & Operations Manager – Promocash | Antony | Jul 2022 – Mar 2023

- Managed customer orders and disputes while ensuring delivery reliability.
- Optimized delivery routes and operational resources.
- Oversaw logistics performance and daily coordination of operations.
